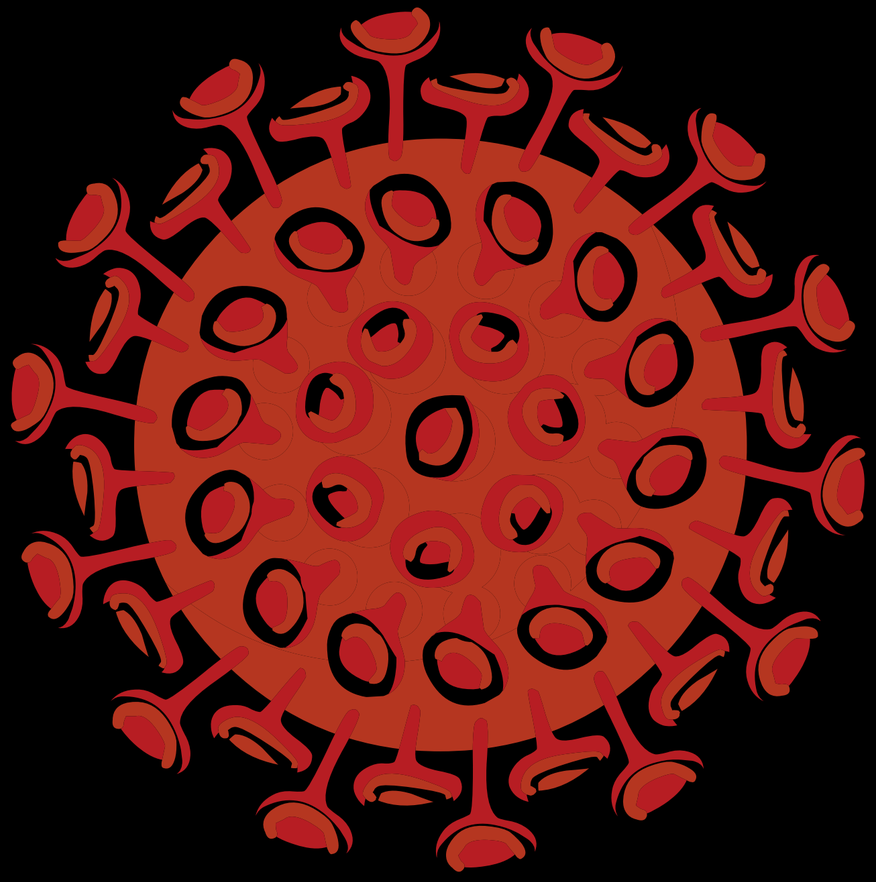
OPEN CODING CLUB

The open week even is 7 days of tech conversation made the students of the open coding club every year.This year is very special for us it is the first that the event will be live.

Why I switched to a home-based event?



إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

How do I participate to benefit from the event?

What we can do for you

Why computer science ?

Web apps with Django

Security in IT systems

Data Science roadmap

Clutstering in a nutshell

Deep learning & image processing
